Once the sun does down, Darling Harbor comes alive with spectacular laser magic. The Aqua Magic Film & Light Spectacular is one of the Harbors latest attractions with film and laser images projected onto two of the worlds largest water screens. One of the many highlights in Darling Harbor is the very popular and impressive Sydney Aquarium. It is by far one of the worlds largest aquariums and has the most diverse collection of Australian aquatic life featuring more than 5,000 animals in total (Turn over for more).

BLUE MOUNTAINS

The Blue Mountains is one of Sydney's favorite retreats. There is something wonderful about going to the mountains and breathing its fresh eucalyptus air. Interesting enough is the name given to the mountains. The Blue Mountains appear to be a hazy sea blue color as a result of high oil concentration in the eucalyptus leaves evaporating in the heat. The walks included in the Blue Mountain Park have been especially chosen for their variety and value and include some of the best sights you will ever encounter. For the adventurer at heart, there is a darling spiral stair drop to the bottom of the mountains.

AUSTRALIAN WILDLIFE PARK

Australia has some of the worlds most unique wildlife. Explore the part at your leisure. Encounter an Emu, feed the Kangaroo; see Tasmanian Devils, Possums, Wallabies, Bandicoots and Wombats. View the Fairy Penguins, beautifully colored parrots, Lorikeets and Cockatoos. You'll have the chance of a close up look at Australian reptiles, crocodiles, echidnas, and Goannas.

BONDI BEACH

Bondi Beach is one of Australia's most famous beaches and among the worlds most well known beaches. It is located in the municipality of Waverley in east Sydney. The beach, roughly a kilometer long, is enclosed at the north and south by headlands. Every day of the year lifeguards patrol the beach between the yellow and red flags.

Take a stroll along the beachside promenade, along with dogs with style and babies with attitude. Away from the beach there are numerous cafes and restaurants, as well as hostels, hotels, a great variety of shops, and even a small gold course. There are two scenic walks from Bondi Beach towards the south. These walks offer great views of the sea. You visit popular beaches such as Tamarama and Bronte, and you get to see a number of historic spots. There are plenty of places along the way where you can stop to admire the views. During the summer these walks are packed with tourists from all over the world.
