The City of New York, most often called New York City, “The Big Apple” or “The city that never sleeps” due to its extensive 24-hour subway system and constant bustling traffic and people, is the most populous city in the United States. Located on the Atlantic coast of the Northeastern United States, the city consists of five distinct boroughs: The Bronx, Brooklyn, Manhattan, Queens, and Staten Island - All of which you will either have time to explore or drive through on this 11 Days and 10 nights tour! Our Premium tour, in fact, is for those who want to see and do it all, but without trying to crowd everything into just a week.

Our New York & Canada Bethel Premium tour takes you all over New York City visiting such sites as the South Street Seaport, China Town, the Empire State Building, Broadway and Times Square, and of course includes tours of the office, shipping, and factory complexes as well as Patterson Educational Center in Patterson, NY and Watchtower Farms! Starting in 2010, this tour now includes a very special Bible tour at the Metropolitan Museum of Art! The Met Bible Tours started about three years ago and is organized by Oasis Group Tours owned and operated by a local NY brother. The tours take about three hours and is entitled: “The Woman and the Seed” (Egypt, Assyria, Babylon, Medo-Persia). This is the tour the Gilead School for missionaries take. The tour is becoming more and more popular and you will see why as you enjoy the tour. Very insightful and encouraging! The local Tour Guides assisting Oasis Group Tours do a very professional presentation.

All of the activities are well planned, safe and guided by well-qualified and loving tour guides who will keep you informed and always go out of their way to ensure that your visit to New York is a memorable one!

Fortunately, the fun doesn't stop there! You'll also get to take in the sites and sounds of the magnificent Niagara Falls from the Canadian side! First, all that you have seen spread out between the office, shipping, and factory complexes at the U.S. Bethels you will now see all together in one beautiful spot - The Canadian Bethel Branch, in Georgetown, Canada! And later, celebrated for both their beauty and as a valuable source of hydroelectric power, The Niagara Falls are not to be missed! In fact, why not board the Maid of the Mist and cruise right up to the very foot of the falls! Seldom may you ever get to see as awe-inspiring a site (and sound)! And a stroll around this energetic town, shrouded in maple leaf confetti, is definitely something that should be on your list!

Option: A Broadway play is included with this tour! As a courtesy, we purchase whatever plays are available for our tour group. However, arrangements can be made if you'd like to see a specific play.
