The City of New York, most often called New York City, “The Big Apple” or “The city that never sleeps” due to its extensive 24-hour subway system and constant bustling traffic and people, is the most populous city in the United States. Located on the Atlantic coast of the Northeastern United States, the city consists of five distinct boroughs: The Bronx, Brooklyn, Manhattan, Queens, and Staten Island - All of which you will either have time to explore or drive through on this 11 Days and 10 nights tour!

Our New York & London tour takes you all over New York City visiting such sites as the South Street Seaport, China Town, the Empire State Building, Broadway and Times Square, and of course includes tours of the office, shipping, and factory complexes as well as Patterson Educational Center in Patterson, NY and Watchtower Farms! Starting in 2010, this tour now includes a very special Bible tour at the Metropolitan Museum of Art! The Met Bible Tours started about three years ago and is organized by Oasis Group Tours owned and operated by a local NY brother. The tours take about three hours and is entitled: “The Woman and the Seed” (Egypt, Assyria, Babylon, Medo-Persia). This is the tour the Gilead School for missionaries take. The tour is becoming more and more popular and you will see why as you enjoy the tour. Very insightful and encouraging! The local Tour Guides assisting Oasis Group Tours do a very professional presentation.

All of the activities are well planned, safe and guided by well-qualified and loving tour guides who will keep you informed and always go out of their way to ensure that your visit to New York is a memorable one!

Now get ready, Jet-setter! You're off to Merry ol' England! Vast, vibrant and truly multicultural, London is one of the world's great cities. Located in the southeast of England, on the River Thames, it is the capital of the United Kingdom (UK) and has been the heart of its political, cultural and business life for centuries. As the population of the greater London area pushes inexorably towards the 10 million mark, the city continues to grow and thrive. London's very real multiculturalism is evident on every street (and many restaurant plates) and is a key reason why people love the city. Experience all the charms of the modern London, not least, the extraordinary breadth of London's cultural life, with world-class art galleries and theaters, buzzing nightlife, film, music, culinary and fashion scenes - all while enjoying some of the best company on Earth and with a visit to this loving Bethel home.
